### Merry Christmas!... From the team at Transalloy

#### Christmas Quote of the Day...

*I stopped believing in Santa when I was 6...*

*My Mother took me to see him at a department store—and he asked for my autograph!*

*~ Shirley Temple ~*

Mmmmmm! Christmas lunch!! We can smell it already—ham, turkey, chicken, prawns.....and plenty of Christmas cheer!

The year is drawing to a close & as we strive to get the last of the 2012 work completed, we'd like to also take the opportunity to thank you all very much.

Thank you for your support, for your help & for making 2012—with all the ups & downs our industry endured—a year worth reflecting on.

It was one of the

most unpredictable years we've experienced, but with all it's unpredictability it also brought us a great end to the year with a fantastic number of sales....and a great beginning to 2013!

We have many exciting ventures planned for the New Year & are looking forward to sharing them with you.

As always, our goal is to help support you as best we can, from pricing, to technical support (where we can!) or just helping to appease an, enthusiastic, customer.

Until then, we would like to say that we hope this festive season brings you plenty of cheer, see's you safe & well into the New Year and that you all are able to enjoy some quality downtime with family & friends!

Lets hope Santa is good to us all .... And that he hasn't been watching too closely!

*Wishing you a very Merry Christmas & a Kappy New Year, from the team at Transalloy*
